Customize Your Facebook Fundraiser

Next you'll create a title and description for the Facebook fundraiser. Personalize your content will tell your supporters why fighting hunger is important to you.

Once you've customized your fundraiser, you'll receive a success message below. Click on the View Page button to go directly to the Facebook Page you created.

View the Facebook Fundraiser Page

Click invite & share buttons at the top of the page to encourage friends & family to support your fundraising goal!

Donations made on this page WILL count on your Food Bank fundraising page and towards Bages & Incentives.
