

Creating a Text to Give for Your Fundraiser

Log-in & Check Out Your Dashboard

Scroll down toward the bottom of the dashboard. You'll see two tabs **Links** and **Text Giving**. The links tab is your custom giving link you can send to your supporters. The Text Giving tab is where you set a text fundraising code.

Text Giving Set-Up

Instructions will appear explaining how Text Giving works and includes a video demonstrating what your friends & family will see on their end when they text to make a gift on your fundraising page.

How Text Giving Works

- 1 Send a Text**
A donor sends a text message to **50155** with the text code for your event plus the code for you or your team with a space between each code.
- 2 Include the Donation Amount**
The donor will be prompted to indicate how much they'd like to donate. A donation amount can be included as part of the initial message.
- 3 Complete the Donation!**
Depending on the text code that was used, they are provided a link to the donation form for your team or personal fundraising page.

To take advantage of this method, all you have to do is create a text code to get started.

Next, click **Create Text Codes**. A modal will appear showing the text fundraising number and the event's text code. Click **Edit Text Code** to enter your unique code following the event code.

Create Text Code

Create a short text code to use.

A small text box will appear where you can enter your unique code. Be sure to go with something simple. Short, one-word codes work best. Avoid special characters as they aren't recognized.

The window will close, and you'll be returned to the My Fundraising Dashboard.

Now, on the Text Giving tab you'll see your unique text code and a button to the right of the code that opens a window where you can copy your unique text code. Copy & Paste in a group text, social post or email.

Be sure to explain how text fundraising works when sending your code. 50155 is the number to text the code to. Then, your friends and family must send both the event code and your unique code to start the donation process.

They'll then be prompted to text a donation amount before being sent a unique link to a donation form that applies their gift to your fundraising goal.
