

INVEST IN THE FUTURE

Grace & John Trinkl

Lowcountry Food Bank and Foundation Supporters

"The Lowcountry is a beautiful place to live, but there are ongoing challenges for those who face hunger in our community. From our experience as foster parents for many children and through volunteering in the local schools, we know that unmet hunger needs greatly impact children's ability to learn and grow.

We have been amply blessed in our life together, and so it is our privilege to not only support the Lowcountry Food Bank annually but to invest in the Lowcountry Food Bank Foundation with our planned gift. We are heartened to know that the ongoing funding from the Foundation will ensure that hunger needs will be addressed in perpetuity."

A legacy gift is right for you if you wish to...

- Make an enduring statement about your values
- Support the mission of the Lowcountry Food Bank and want to see it continue to fight hunger for future generations
- Meet personal financial goals, while putting your gifts to a charitable purpose
- Deliver hope for years to come

The sole purpose of the Lowcountry Food Bank Foundation is to ensure the long-term sustainability and success of the Lowcountry Food Bank by providing annual financial support so that it can continue to serve our food insecure neighbors for years to come.

OF THE LOWCOUNTRY
FOOD BANK**

A PROMISE TO PROVIDE FOOD FOR YEARS TO COME

Created in 2021, the Lowcountry Food Bank Foundation's mission is to provide a consistent and sustainable source of funding to support the Lowcountry Food Bank.

The Lowcountry Food Bank Foundation manages and maintains the Patricia S. Walker Endowment Fund which invests monetary gifts. The collection of invested monetary gifts continues to grow and provides a dependable source of annual income to help fund feeding programs, projects, equipment, and infrastructure for the Lowcountry Food Bank.

Gifts to the Lowcountry Food Bank Foundation will help ensure that our food insecure neighbors in the 10 coastal counties of South Carolina will have access to food assistance both now and in the future.
