

JOB POSTING

CDL ROUTE/DELIVERY DRIVER

Charleston, SC

The **CDL/Tractor Trailer Driver** provides support in the day-to-day operations and is responsible for the pick-up and delivery of product as needed. This includes the pick-up on retail routes and other donor routes as well as assists in the delivery of product to agencies, schools, and Regional Food Centers (RFC); stage orders for dock loading truck delivery; assist in the safe and orderly storage of product within the warehouse; load and unload transport vehicles; sort food and become proficient in Feeding America (FA) salvage guidelines; practice good warehousing; assist in pulling orders correctly, promptly, and in good condition as needed; keep vehicle, warehouse, and grounds clean and neat; be responsible for upkeep of LCFB vehicles to ensure they are kept in service and report damages in a timely manner.

The ideal candidate will possess a high school diploma or equivalent along with a current CDL Class A license; must be able to provide a current ten-year Motor Vehicle Record with no moving violations in the past three years; and pass a DOT physical. Have a minimum of five years of experience driving tractor trailer trucks and working in a distribution or warehouse environment. Food safety knowledge is a plus.

The candidate must be able to lift or carry items weighing 35-45 pounds, move objects up to 700 pounds with the proper equipment and have the ability to safely operate warehouse equipment. The candidate will work a flexible Monday through Saturday schedule of 40 hours per week. May be required to attend special events with prior notice.

After 60 days, Lowcountry Food Bank offers a generous benefits package including low cost medical, vision and life insurance, free dental, paid holidays, paid time off, plus 401(k) with a match of up to 5% at 1 year.
